RECEIVED

IN RE: Docket No. 2006-292-T - Application of Samuel Redding dba Redding Moving Systems for a rate increase.

Dear Mr. Terreni:

It has come to our attention that Samuel Redding dba Redding Moving Systems has filed an application with the Public Service Commission for a rate increase.

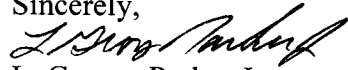

After reviewing our records, the Office of Regulatory Staff ("ORS") found that the applicant has failed to file its annual report, year ending 2005 as well as its gross receipts form which was due August 31, 2006. On this basis, ORS opposes the above request. ORS respectfully submits that unless the company comes into compliance with these requirements no later than the return date designated by the Notice of Filing, the Commission deny the requested rate increase.

Furthermore, should the applicant file the required forms with ORS and the Commission by the established return date, ORS respectfully requests that the Commission hold the request for a rate increase in abeyance to allow the ORS Audit Department sufficient time to perform an impact study. We would request a period to perform the audit not to exceed Forty-Five (45) days from the date of the order.

Please accept the original of this letter for filing and return the copy enclosed to me in the envelope provided.

Thank you for your assistance in this matter. If further information is needed, please do not hesitate to let us know.

Sincerely,

A handwritten signature in cursive script, appearing to read "L. George Parker Jr.", written in black ink.
